DSS Shelving Specifications & Advantages

- ❑ Shelving (exterior) is made of polypropylene with a steel core in 2.0mm thick for a maximum weight support/bearing
- ❑ Strong as steel, durable and stable
- ❑ All components are NSF certified (with NSF Certification)
- ❑ Can sustain cold temperature down to -38°C
- ❑ Easy to assemble, easy to adjust and configure without having to disassemble the unit
- ❑ Hygienically designed and made so that all components can be safely washed in commercial dishwasher; Easy to clean
- ❑ Rust free as there is no welding and all steel pipes are all sealed and unexposed
